

Section B-B

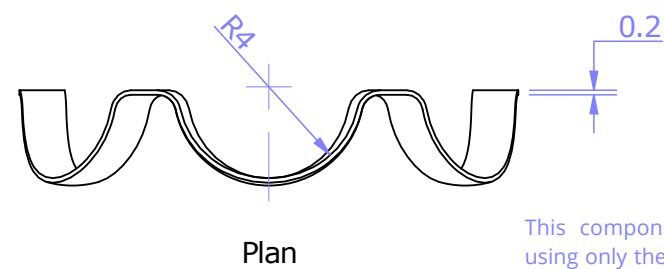

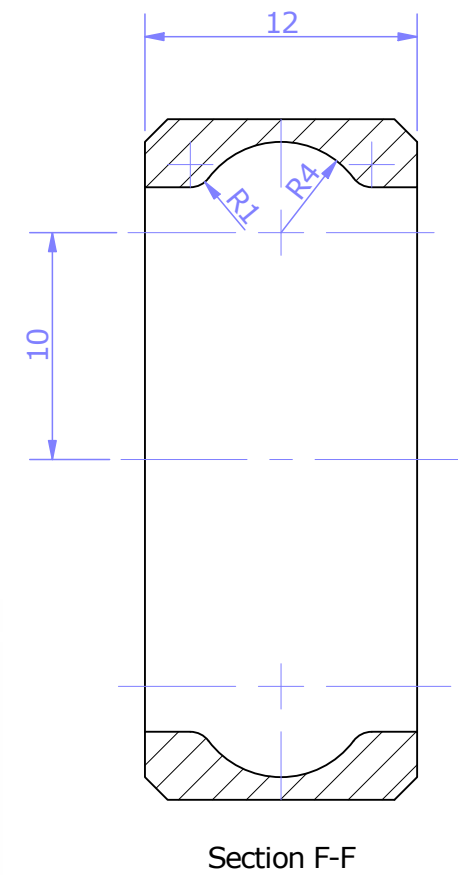

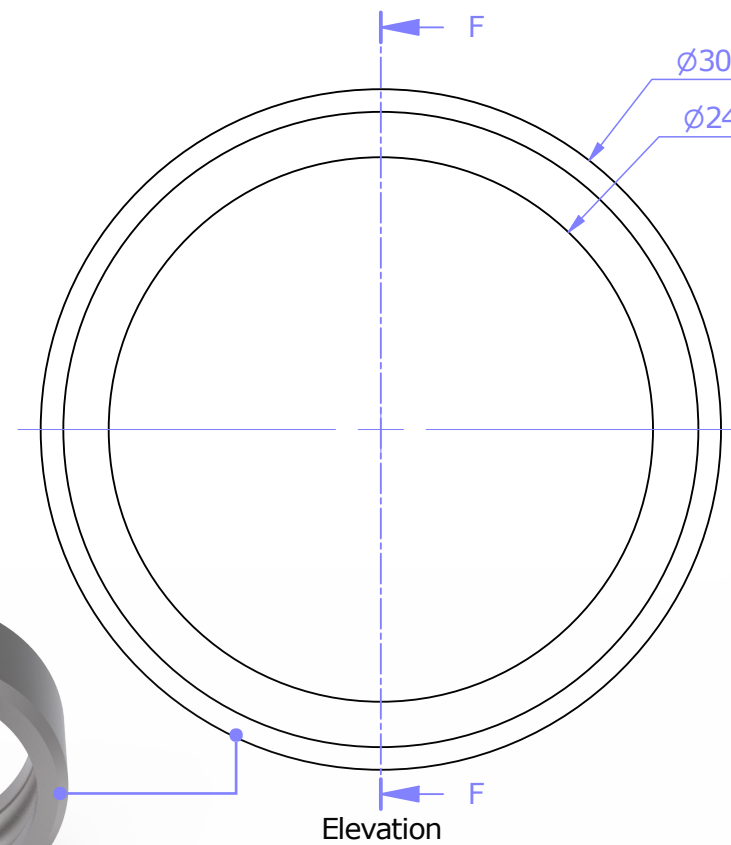

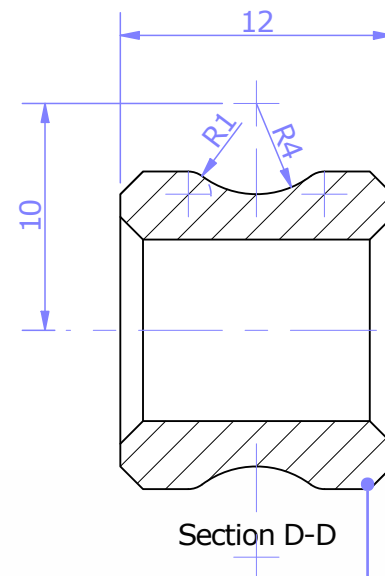

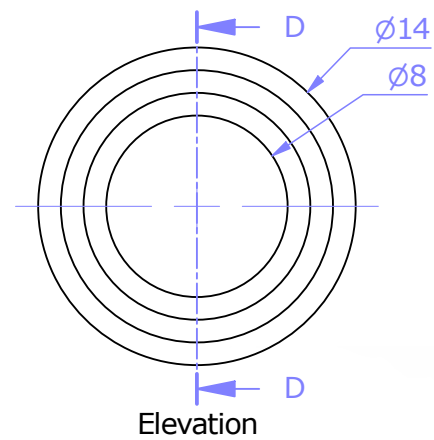

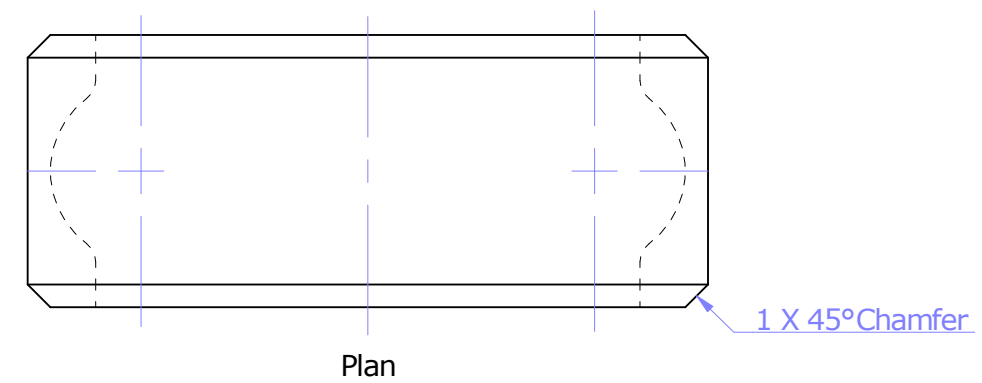

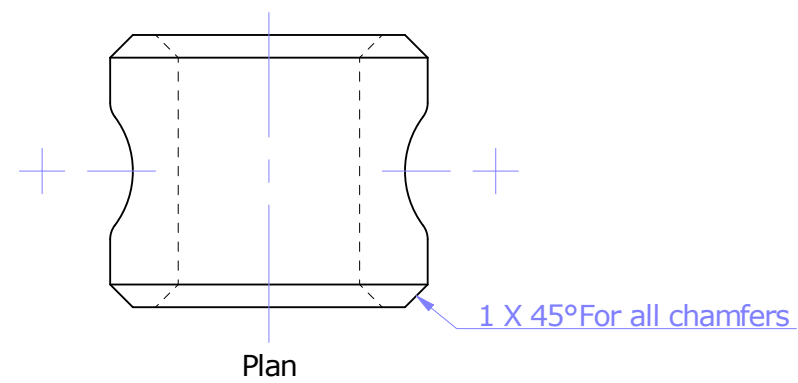

Section C-C

Section A-A

|                     |                                                            |
|---------------------|------------------------------------------------------------|
| DRAWING TITLE:      | BEARING                                                    |
| COURSE OR LEVEL:    | HIGHER GRAPHIC COMMUNICATION                               |
| CHALLENGE VERSION : | V1_0320                                                    |
| SCALE:              | NTS                                                        |
| NOTES:              | KNOW HOW TO REVOLVE? GOOD. BUT HOW GOOD ARE YOU REALLY...? |

This component can be modelled using only the extrude, revolve, shell and array commands.
