

The diagram shows the orthographic projection of a triangular prism. The front view (top) is a triangle with a height dimension of 120. The top view (bottom) is a circle with a horizontal center line. A vertical dashed line connects the apex of the triangle to the center of the circle. A blue arrow labeled 'A' points to the top view from the right. Another blue arrow labeled 'A' points to the front view from the left. The front view is enclosed in a dashed rectangular box.

Ø30

6

4 Wall thickness

A dark green, 3D geometric object, possibly a stylized letter 'A' or a triangular prism, with a circular hole in the center. The object is set against a white background with a faint blue grid pattern.
